

# Construction

Coverage built for growth

Coverage and claims issues surrounding construction projects present a specific set of challenges. That's why it's so important to have a partner who understands the field and knows what to expect.

At ABD, our team is your first line of defense against construction risk, both insurable and uninsurable. We bring years of experience in the construction sector to help you identify potential risks, while saving you time and money.

### We'll partner with you to:

#### Prevent accidents and reduce claim costs

ABD helps you strengthen your safety culture, providing loss control staff and strategic partners that protect what you've worked so hard to build. And when accidents do happen, we guide you through the claims process to contain losses and find quick resolution.

#### Protect your assets with custom coverage

Coverage doesn't look the same for everyone. Our construction professionals identify key risk areas specific to your operation, and offer both insurance and non-insurance solutions. We customize coverage to precisely fit your needs, so that you don't have to look elsewhere.

#### Secure the best coverage and terms on the market

It's not always easy to navigate pricing structures and coverage models. ABD advocates for you, securing the best possible pricing and extra coverage enhancements for loss events. Our goal is to reduce the cost of risk, protect your balance sheet, and strengthen your cash flow.

#### Stay one step ahead of a changing industry

Our construction experts are always looking ahead, participating in industry functions and trade groups to understand developing issues and concerns. When shifts occur in the industry, we make sure you're prepared.

**About ABD.** ABD is a consulting firm providing risk management, insurance brokerage, human resources, and retirement consulting services. Our advisors offer guidance and craft innovative solutions to help address risk for clients of varying sizes, growth stages and industries.
